Objective

Electronics and Communication Engineering student passionate about software development and problem-solving. Seeking an opportunity to contribute to real-world projects while enhancing my technical and professional skills.

Education

GSSSIETW, Mysuru	2023 – 2027
B.E. in Electronics and Communication Engineering	
St. Joseph's PU College, Somwarpet	2021 – 2023
St. Joseph's High School, Somwarpet	2020 – 2021

Technical Skills

Programming Languages: C++, Python (Basics)

Web Technologies: HTML, CSS, JavaScript, Flask

Core Concepts: Microcontrollers (8051), Digital Electronics, Wireless Communication, Embedded Systems

Tools & Platforms: Git, GitHub, Visual Studio Code, Arduino IDE, MATLAB, Linux, Canva

Areas of Interest: Software Development, Frontend Development, Embedded Systems

Soft Skills: Leadership, Communication, Problem Solving, Team Collaboration

Internship Experience

SSBBRO — Content Management & Design Intern	Feb 2026 – Apr 2026
- Created and managed digital content using Canva. - Edited YouTube videos and Instagram reels for social media engagement. - Assisted in content organization and digital media presentation.	

Projects

Real-Time Tactical Communication & Surveillance Dashboard	2026
- Developed a real-time tactical communication dashboard using Flask, HTML, CSS, and JavaScript. - Implemented secure user authentication and live alert monitoring. - Designed a responsive military-style user interface with radar visualization. - Integrated an interactive map for real-time tactical visualization. Live Demo: View Live Project	
Low Power Comparator Design for SAR-ADC	2025
- Designed and analyzed a low-power comparator for SAR-ADC applications using Cadence Virtuoso. - Evaluated power consumption, speed, and circuit performance.	

Achievements

- Secured Second Place in Inter-College Zonal Level Basketball Tournament.
- Selected among the Top 5 Female Contestants in "RODIES" at Yukthi 2026, a VTU Inter-College Fest.

Leadership & Volunteering

VLSI Club — Execom Member
Participated in organizing technical activities and club events.

Languages

English, Kannada, Kodava, Hindi

Interests

Software Development • Video Editing • Fitness
